

QUICK REFERENCE GUIDE

Accessing COVID-19 Patient Results in the NC HealthConnex Clinical Portal

Viewing Results

The Procedures/Results tab in Clinical Viewer displays procedures, test results, transcriptions, and radiology reports. If NC HealthConnex has received any COVID-19 test results on your patients, they will be located here.

1. In Patient Search, enter the patient's demographic data, or you may also search by local medical record number:

HealthShare Management Home Patient Search Messages (0) Clinician Tools My Account Logout Help

- If necessary, declare a patient relationship (choosing the appropriate selection from the drop-down menu) in order to "Break the Seal" and access the patient record:

DECLARE PATIENT RELATIONSHIP ✕

Data in NC HealthConnex does not indicate that you have been granted full consent with the patient you have selected. In order to gain one-time access to this patient's record, you must "Break the Seal". This declaration will be audited.

Click "Declare Relationship" to continue, or click "Cancel" to return to the search results.

Care coordination

- In the Summary tab, look on the bottom left for most recent test results:

TESTCOVID, PATIENT

Male • 70 Years (1950-01-01) • 123456 TEST AVE, GASTON, NC 27832-9638 •
