17. Disclaimers.

- 17.01. **Reliance on a System.** Each Participant acknowledges and agrees that: (i) the Pharmacy Data, HIE Data, and Message Content received or provided by, or through, its System is drawn from numerous sources, and (ii) it can only confirm that, at the time Message Content is Transacted, the information and Message Content Transacted are an accurate representation of data contained in, or available through, its System. Nothing in this Agreement shall be deemed to impose responsibility or liability on a Participant related to the clinical accuracy, content or completeness of any Pharmacy Data, HIE Data, or Message Content provided pursuant to this Agreement. The Participants acknowledge that other Participants' Digital Credentials may be activated, suspended or revoked at any time or the Participant may suspend its participation; therefore, Participants may not rely upon the availability of Pharmacy Data, HIE Data, or a particular Participant's Message Content.
- 17.02. **Incomplete Medical Record.** Each Participant acknowledges that Pharmacy Data, HIE Data, or Message Content Transacted by Participants may not include the individual's full and complete medical record or history. Such Pharmacy Data, HIE Data, or Message Content will only include that data which is the subject of the Message and available for exchange among Participants.
- 17.03. **Patient Care.** Pharmacy Data, HIE Data or Message Content obtained through NC HealthConnex is not a substitute for any Participant, if that person/entity is a Health Care Provider, obtaining whatever information he/she/it deems necessary, in his/her professional judgment, for the proper treatment of a patient. The Participant, if he/she/it is a Health Care Provider, shall be solely responsible for all decisions and actions taken or not taken involving patient care, utilization management, and quality management for his/her/its respective patients and clients resulting from, or in any way related to, the use of the NC HealthConnex, HIE Features, and NC HIEA Policies and Procedures agreed to by the Participants pursuant to this Agreement or the Pharmacy Data, HIE Data, or Message Content made available thereby. By executing this Agreement or Transacting Message Content, neither Participant, Participating Entity, or an Authorized User assumes any responsibility or liability for the health care services provided by any other Participant, Participating Entity, or Authorized User to a patient.
- 17.04. **Carrier lines.** All Participants acknowledge that the submission of Pharmacy Data to NC HIEA or the Transaction of Message Content between Participants is to be provided over various facilities and communications lines, and information shall be transmitted over local exchange and Internet backbone carrier lines and through routers, switches, and other devices (collectively, "carrier lines") owned, maintained, and serviced by third-party carriers, utilities, and Internet service providers, all of which may be beyond the Participants' control. Provided a Participant uses reasonable security measures, no less stringent than those directives, instructions, and specifications contained in this Agreement and the NC HIEA Policies and Procedures, the Participants assume no liability for or relating to the integrity, privacy, security, confidentiality, or use of any information while it is transmitted over those carrier lines, which are beyond the Participants' control, or any delay, failure, interruption, interception, loss, transmission, or corruption of any Pharmacy Data, HIE Data, Message Content, or other information attributable to transmission over those carrier lines which are beyond the Participants' control. Use of the carrier lines is solely at the Participants' risk and is subject to all Applicable Law.

17.05. **No Warranties.** EXCEPT AS REPRESENTED IN SECTIONS 15.05 AND 15.06, PHARMACY DATA, HIE DATA, AND MESSAGE CONTENT ARE PROVIDED “AS IS” AND “AS AVAILABLE” WITHOUT ANY WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NONINFRINGEMENT. IT IS EXPRESSLY AGREED THAT IN NO EVENT SHALL THE PARTIES BE LIABLE FOR ANY SPECIAL, INDIRECT, CONSEQUENTIAL, OR EXEMPLARY DAMAGES, INCLUDING BUT NOT LIMITED TO, LOSS OF PROFITS OR REVENUES, LOSS OF USE, OR LOSS OF INFORMATION OR DATA, WHETHER A CLAIM FOR ANY SUCH LIABILITY OR DAMAGES IS PREMISED UPON BREACH OF CONTRACT, BREACH OF WARRANTY, NEGLIGENCE, STRICT LIABILITY, OR ANY OTHER THEORIES OF LIABILITY, EVEN IF THE PARTIES HAVE BEEN APPRISED OF THE POSSIBILITY OR LIKELIHOOD OF SUCH DAMAGES OCCURRING. THE PARTIES DISCLAIM ANY AND ALL LIABILITY FOR ERRONEOUS TRANSMISSIONS AND LOSS OF SERVICE RESULTING FROM COMMUNICATION FAILURES BY TELECOMMUNICATION SERVICE PROVIDERS OR OTHER THIRD PARTIES.

18. **Liability.**

18.01. **Participant Liability.** Participant shall be responsible for its acts and omissions and not for the acts or omissions of NC HIEA or any other Participant. In circumstances involving harm to other Participants caused by the acts or omissions of individuals who Transact Message Content or Confidential Participant Information through the Participant or by use of any password, identifier, or log-on received or obtained directly or indirectly, lawfully or unlawfully, from the Participant or any of the Participating Entities or Authorized Users, each Participant shall be responsible for such harm to the extent that the individual's access was caused by the Participant's breach of the Agreement or its negligent conduct for which there is a civil remedy under Applicable Law. Notwithstanding any provision in this Agreement to the contrary, Participant shall not be liable for any act or omission if a cause of action for such act or omission is otherwise prohibited by Applicable Law. This Section shall not be construed as a hold harmless or indemnification provision.

18.02. **NC HIEA Liability.** Participant shall not hold NC HIEA, the NC HIEA Advisory Board, or any of their members liable for or relating to any impairment of the privacy, security, confidentiality, integrity, availability, or restricted use of any information on a System resulting from any Participant's actions or failures to act, except to the extent such action or failure to act was directed by NC HIEA. NC HIEA is not liable for any damages resulting from loss of Pharmacy Data, HIE Data, or Message Content, or use of Message Content by Approved Third Parties following transfer or Transaction of such by NC HIEA. NC HIEA disclaims all liability connected to disclosures made to NC HIEA by Participant in contravention of Applicable Law. NC HIEA does not waive any defenses or rights based upon sovereign immunity of the State of North Carolina.

18.03. **Effect of Agreement.** Except as provided in Section 17 (Disclaimers) and Section 20 (Dispute Resolution), nothing in this Agreement shall be construed to restrict a Participant's right to pursue all remedies available under law for damages or other relief arising from acts or omissions of other Participants related to this Agreement, or to limit any rights, immunities or defenses to which a Participant or Authorized User may be entitled under Applicable Law.

19. **Term, Suspension and Termination.**

19.01. **Term.** The initial term of this Agreement shall begin on the Effective Date and extend for one year measured from the Effective Date. The Parties shall complete all necessary Onboarding activities and meet any Onboarding and Technical Specifications during the period following execution of this

Agreement and prior to the Go Live Date. Upon the expiration of the initial term, this Agreement shall automatically renew for successive one-year terms unless terminated pursuant to this Section 19.

19.02. Suspension or Termination by Participant.

- a. A Participant may voluntarily suspend its own right to Transact Message Content or to use NC HealthConnex Resources by Notifying NC HIEA of its voluntary suspension. Once a Participant has properly Notified NC HIEA of its voluntary suspension, neither the Participant, nor its Participating Entities or Authorized Users, shall Transact Message Content until the voluntary suspension has ended and the Participant has Notified NC HIEA that the suspension has ended. During the period of the voluntary suspension, the Participant's inability to Transact Message Content and comply with those terms this Agreement that require Transaction of Message Content shall not be deemed a breach of this Agreement.
- b. A Participant may terminate its own right to Transact Message Content or to use NC HealthConnex Resources by terminating this Agreement, with or without cause, by giving NC HIEA at least five (5) business days prior written Notice. Once proper Notice is given, NC HIEA shall be empowered to revoke the Participant's Digital Credentials as of the date of termination specified in the Notice. Once NC HIEA revokes the Participant's Digital Credentials, NC HIEA shall provide a notice of the revocation to the remaining Participants.

19.03. Suspension by NC HIEA. Upon NC HIEA completing a preliminary investigation and determining that there is a substantial likelihood that a Participant's acts or omissions create an immediate threat or will cause irreparable harm to another party including, but not limited to, a Participant; a Participating Entity; an Authorized User; the integrity or operation of NC HealthConnex; or an individual whose Message Content is Transacted using the Onboarding and Technical Specifications; the Participants hereby grant to NC HIEA the power to summarily suspend, to the extent necessary to address the threat posed by the Participant, a Participant's Digital Credentials, pending the submission and approval of a corrective action plan, as provided in this Section. Upon suspension, NC HIEA shall immediately suspend the Participant's Digital Credentials and within twelve (12) business hours of suspending a Participant's right to Transact Message Content (i) provide a notice of such suspension to all Participants; and (ii) provide to the suspended Participant a written summary of the reasons for the suspension. The Participant shall use reasonable efforts to respond to the suspension Notice with a detailed plan of correction or an objection to the suspension within three (3) business days or, if such submission is not reasonably feasible within three (3) business days, then at the earliest practicable time. If the Participant submits a plan of correction, NC HIEA shall, within five (5) business days, review and either accept or reject the plan of correction. If the plan of correction is accepted, NC HIEA shall, upon completion of the plan of correction, reinstate the Participant's Digital Credentials and provide a notice to all Participants of such reinstatement. If the plan of correction is rejected, the Participant's suspension will continue, during which time NC HIEA and the Participant shall work in good faith to develop a plan of correction that is acceptable to both the Participant and NC HIEA. At any time after NC HIEA rejects a Participant's plan of correction, either the Participant or NC HIEA may submit a Dispute to the Dispute Resolution Process described in Section 20. If NC HIEA and the Participant cannot reach agreement on a plan of correction through the Dispute Resolution Process, NC HIEA may terminate the Participant in accordance with Section 19.04.

19.04. Termination by NC HIEA. The Parties hereby acknowledge and agree that NC HIEA may terminate a Participant's connection to NC HealthConnex and Participant's right to Transact Message Content as follows:

- a. After taking a suspension action in accordance with Section 19.03 when there is a substantial likelihood that the Participant's acts or omissions create an immediate threat or will cause irreparable harm to another party including, but not limited to, a Participant, a Participating Entity, or an Authorized User, integrity or operation of NC HealthConnex, or an individual whose Message Content is Transacted; or
- b. In the event a Participant is in material default of the performance of a duty or obligation imposed upon it by this Agreement and such default has not been substantially cured within thirty (30) calendar days following receipt by the defaulting Participant of written Notice thereof from NC HIEA.
- c. A Participant whose Digital Credentials are revoked by virtue of termination may appeal such revocation through the Dispute Resolution Process. However, during the pendency of any such appeal, the Participant's Digital Credentials may continue to be revoked at the discretion of NC HIEA.

19.05. **Effect of Termination.** Upon any termination of this Agreement for any reason, the terminated party shall cease to be a Participant and thereupon and thereafter neither that Party nor its Authorized Users shall have any rights to submit Pharmacy Data or have access to the NC HealthConnex Resources or Transact Message Content with other Participants (unless such Authorized Users have an independent right to Transact Message Content through another Participant). NC HIEA shall revoke a terminated Participant's Digital Credentials, which will terminate Participant's ability to Transact Message Content. Once NC HIEA revokes the Participant's Digital Credentials, NC HIEA shall provide a notice of such revocation to the remaining Participants. In the event that any Participant(s) is terminated, this Agreement will remain in full force and effect with respect to all other Participants.

19.06. **Disposition of Message Content on Termination.** At the time of termination, Recipient may, at its election, retain Message Content on Recipient's System in accordance with the Recipient's document and data retention policies and procedures, Applicable Law, and the terms and conditions of this Agreement.

19.07. **Availability of Funds.** The HIE Features are expressly contingent upon and subject to the appropriation, allocation, and availability of funds to NC HIEA for the purposes set forth in this Agreement. Notwithstanding NC HIEA's authority to become self-supporting, HIE Features and operations funded in whole or in part by federal funds or appropriations by the N.C. General Assembly shall be subject to and contingent upon the continuing availability of such funds for the purposes of this Agreement. If funds to support NC HIEA operations or HIE Features are not available, NC HIEA will provide written notification to Participant together with notice of termination. NC HIEA shall have no liability or continuing obligation if this Agreement is terminated for lack of available funds.

20. **Dispute Resolution.**

20.01. **General.** The Parties acknowledge that it may be in their best interest to resolve Disputes through an alternative Dispute Resolution Process rather than through civil litigation. The Parties have reached this conclusion based upon the fact that the legal and factual issues involved in this Agreement are unique, novel, and complex and limited case law exists which addresses the legal issues that could arise from this Agreement. Except in accordance with Section 20.02, if a Party refuses to participate in the Dispute Resolution Process, such refusal shall constitute a material breach of this Agreement and may be grounds for termination in accordance with Section 19.04. During the time the Parties are attempting to resolve any dispute, each shall proceed diligently to perform their respective duties and responsibilities under this Agreement. If a dispute cannot be resolved between the Parties within thirty (30) days after delivery of notice, either Party may elect

to exercise any other remedies available under this Agreement, or at law; or invite the other party to submit the matter to mediation.

- 20.02. **Immediate Injunctive Relief.** Notwithstanding Section 20.01, a Party may be relieved of its obligation to participate in the Dispute Resolution Process if such Party (i) believes that another Party's acts or omissions create an immediate threat to the confidentiality, privacy or security of Message Content or will cause irreparable harm to another party (Participant, Authorized User, the integrity or operation of NC HealthConnex, or consumer) and (ii) pursues immediate injunctive relief against such other Participant in a court of competent jurisdiction. The Party pursuing immediate injunctive relief must provide a Notification to the other Party of such action within 24 hours of filing for the injunctive relief and of the result of the action within 24 hours of learning of same.
- 20.03. If the injunctive relief sought in Section 20.02 is not granted and the Party seeking such relief chooses to pursue the Dispute, the Parties must then submit to the Dispute Resolution Process in accordance with this Section 20.03. If both Parties agree to submit the matter to mediation, the following actions shall be taken:
- a. Each Party shall recommend a mediator certified by the North Carolina Courts after first determining that the recommended mediator, and said mediator's firm, if any, have no conflict or prior knowledge of the Dispute to be resolved, and no prior work for or against either Party; and,
 - b. The recommended mediators must have knowledge of the general subject matter of the Applicable Law; and,
 - c. The recommended mediators must be able to execute and deliver a satisfactory confidentiality and non-disclosure agreement if information exempt from disclosure under N.C. Gen. Stat. §132-1, *et seq.* is relevant or material to the matter to be resolved; and,
 - d. Recommended mediators and their respective contact and qualification information shall be exchanged within five (5) days to each Party following the agreement to mediate; and
 - e. Unless the Parties mutually agree to select a particular mediator, the selection of a mediator shall be determined by the mediator's earliest available date to initiate mediation. Any agreement to mediate shall require the Parties to appear and mediate the matter in good faith in accordance with the schedule and calendar established by the Mediator; and,
 - f. Provided, however, that this term shall not constitute an agreement by either Party to mediate or arbitrate any dispute; and that any agreement to mediate may be revoked or terminated without penalty therefore if so advised by the North Carolina Attorney General.
- 20.04. **Activities During Dispute Resolution Process.** Pending resolution of any Dispute under this Agreement, the Parties agree to fulfill their responsibilities in accordance with this Agreement, unless the Party voluntarily suspends its right to Transact Message Content in accordance with Section 19.02, is suspended in accordance with Section 19.03, or exercises its right to cease Transacting Message Content in accordance with Section 11.05(b).
- 20.05. **Implementation of Agreed Upon Resolution.** If, at any point during the Dispute Resolution Process, the Parties to the Dispute accept a proposed resolution of the Dispute, the Parties agree to implement the terms of the resolution in the agreed upon timeframe.
- 20.06. **Reservation of Rights.** If, following the Dispute Resolution Process, in the opinion of either Party, the mandatory Dispute Resolution Process failed to adequately resolve the Dispute, the Party or Parties may pursue any remedies available to it in a court of competent jurisdiction.

21. Publications.

- 21.01. Any Participant published or distributed reports, data, or other information that reference NC HIEA or NC HealthConnex shall contain a disclaimer statement to the following effect: Any opinions, findings, conclusions, or recommendations expressed in this publication are those of the author(s) and do not necessarily reflect the view and policies of NC HIEA.
- 21.02. NC HIEA may publish or arrange for the publication of information resulting from work carried out under this Agreement, and copyright any books, publications, films, or other copyrightable materials developed in the course of or resulting from work under this Agreement.
- 21.03. Upon Participant's publication of materials resulting from HIE Data, Participant shall furnish a minimum of two copies of reprints to NC HIEA.
22. **Notices.** All Notices to be made under this Agreement shall be given in writing to the appropriate Participant's representative at the address listed in Attachment 1, and shall be deemed given: (i) upon delivery, if personally delivered; (ii) upon the date indicated on the return receipt, when sent by the United States Postal Service Certified Mail, return receipt requested; and (iii) if by a form of electronic transmission, upon receipt when the Notice is directed to an electronic mail address listed on Attachment 1 and the sending electronic mail address receives confirmation of receipt by the electronic mail address.
23. **Medicare Record Access.** In compliance with 42 U.S.C. §1395x(v)(1)(I) and implementing regulations, NC HIEA agrees, until the expiration of four (4) years after the HIE Features are furnished under this Agreement, to allow the Secretary of the U.S. Department of Health and Human Services and the Comptroller General access to this Agreement, all applicable purchase orders, and to the books, documents and records of NC HIEA necessary to verify the nature and extent of the costs of this Agreement. NC HIEA further agrees that if any of the duties of this Agreement are carried out by a subcontractor of NC HIEA, such subcontract will contain a clause to the effect that, until the expiration of four (4) years after the HIE Features are furnished under such subcontract, the Secretary of the U.S. Department of Health and Human Services and the Comptroller General will have access to such subcontract and to the books, documents and records of the subcontractor necessary to verify the nature and extent of the costs of such subcontract. This Section 23 will survive the expiration or termination of this Agreement.
24. **Miscellaneous/General.**
- 24.01. **Governing Law.** This Agreement is made under and shall be governed and construed in accordance with the laws of the State of North Carolina. The place of this Agreement or purchase order, its situs and forum, shall be Wake County, North Carolina, where all matters, whether sounding in contract or in tort, relating to its validity, construction, interpretation and enforcement shall be determined. Participant agrees and submits, solely for matters relating to this Agreement, to the jurisdiction of the courts of the State of North Carolina, and stipulates that Wake County shall be the proper venue for all matters.
- 24.02. **Authority; No Conflict.** NC HIEA and Participant each represent and warrant to the other as follows: (i) that it is authorized to enter into this Agreement and to perform its obligations hereunder, and that the individual signatory executing this Agreement on its behalf is authorized, and has the capacity, to so execute this Agreement on its behalf, and (ii) that the execution of this Agreement by it and the performance of its obligations hereunder shall not conflict with or result in, with or without the passage of time or the giving of notice thereof, any breach, default or violation of any third party agreement to which it is bound, or any judgment, order or ruling of any court, administrative or regulatory agency or body, or arbitration award, to which it is bound or subject.
- 24.03. **Amendment.** This Agreement may be amended by agreement between the Parties. However, if the change is required for NC HIEA or Participants to comply with Applicable Law, NC HIEA may implement the change within a time period NC HIEA determines is appropriate under the circumstances. All Participants shall be required to sign an amendment adopted in accordance with the provisions of this Section or terminate participation in accordance with Section 19.02.

- 24.04. **Governmental Restrictions.** In the event any restrictions are imposed by governmental requirements that necessitate alteration of the performance of this Agreement, each Party shall provide written notification of the necessary alteration(s) to the other Party's Contract Administrator. NC HIEA reserves the right to accept any such alterations, including any price adjustments occasioned thereby, or to cancel the Agreement. NC HIEA may advise Participant of any restrictions or changes in specifications required by North Carolina legislation, rule or regulatory authority that require compliance by the State. In such event, Participant shall use its best efforts to comply with the required restrictions or changes. If compliance cannot be achieved by the date specified by NC HIEA, the Parties may terminate this Agreement.
- 24.05. **Inspection At Participant's Site.** Pursuant to N.C.G.S. §147-64.7, the State reserves the right to inspect, during Participant's regular business hours at a reasonable time, upon notice of not less than two (2) weeks, and at its own expense, the prospective equipment or other tangible goods, or the plant or other physical facilities of a prospective Participant prior to Agreement award, and during the Agreement term as necessary or proper to ensure conformance with the specifications or requirements and their adequacy and suitability for the proper and effective performance of the Agreement.
- 24.06. **Audit, Access To Records.** Pursuant to N.C.G.S. §147-64.7, the Agency, the State Auditor, appropriate federal officials, and their respective authorized employees or agents are authorized to examine all books, records, and accounts of the Participant insofar as they relate to transactions with any department, board, officer, commission, institution, or other agency of the State of North Carolina pursuant to this Agreement or to costs charged to this Agreement. The Participant shall retain any such books, records, and accounts for a minimum of three (3) years after the completion or termination of this Agreement. Additional audit or reporting requirements may be required by any Agency, if in the Agency's opinion, such requirement is imposed by federal or state law or regulation.
- 24.07. **Assignment.** No Party shall assign or transfer this Agreement, or any part thereof, without the express written consent of NC HIEA. Any assignment that does not comply with the requirements of this Section 24.07 shall be void and have no binding effect. NC HIEA, in its own discretion, will not unreasonably withhold its approval of an assignment in the context of a merger, acquisition, or sale of Participant.
- 24.08. **Conflicts Of Interest.** Participant acknowledges and represents that it has adopted policies governing conflicts of interest and ethics in the exercise of its authority, and its actions under this Agreement. Participant will review, disclose and employ its best efforts to resolve any anticipated or reported conflict of interest or issue involving its ethics policies during the performance of this Agreement.
- 24.09. **Survival.** The following provisions shall survive the termination of this Agreement for any reason: Sections 1, 2, 11.06(b), 11.06(c), 13, 15.07, 16, 18, 19.06, 20, 23, 24.01, 24.09, and 24.11.
- 24.10. **Waiver.** No failure or delay by any Participant in exercising its rights under this Agreement shall operate as a waiver of such rights, and no waiver of any right shall constitute a waiver of any prior, concurrent, or subsequent right.
- 24.11. **Entire Agreement.** This Agreement, together with all Attachments, sets forth the entire and only Agreement among the Parties relative to the subject matter hereof. This Participation Agreement replaces and supersedes all prior participation or subscription agreements between NC HIEA and Participant, and expresses the entire understanding of the Parties with respect to the transactions contemplated herein, and shall not be amended, modified or altered except pursuant to Section 24.03.

Any representation, promise, or condition, whether oral or written, not incorporated herein, shall not be binding upon any Party.

- 24.12. **Validity of Provisions.** In the event that a court of competent jurisdiction shall hold any Section, or any part or portion of any Section of this Agreement, invalid, void or otherwise unenforceable, each and every remaining Section or part or portion thereof shall remain in full force and effect.
- 24.13. **Headings.** The headings throughout this Agreement are for reference purposes only, and the words contained therein may in no way be held to explain, modify, amplify, or aid in the interpretation or construction of meaning of the provisions of this Agreement. All references in this instrument to designated “Sections” and other subdivisions are to the designated Sections and other subdivisions of this Agreement. The words “herein,” “hereof,” “hereunder,” and other words of similar import refer to this Agreement as a whole and not to any particular Section or other subdivision.
- 24.14. **Relationship of the Participants.** The Participants are independent contracting entities. Nothing in this Agreement shall be construed to create a partnership, agency relationship, or joint venture among the Parties. Neither NC HIEA nor any Participant shall have any authority to bind or make commitments on behalf of another Participant for any purpose, nor shall any such Party hold itself out as having such authority. No Participant shall be held liable for the acts or omissions of another Participant.
- 24.15. **Third-Party Beneficiaries.** With the exception of the Participants to this Agreement, there shall exist no right of any person to claim a beneficial interest in this Agreement or any rights occurring by virtue of this Agreement.
- 24.16. **Force Majeure.** A Participant shall not be deemed in violation of any provision of this Agreement if it is prevented from performing any of its obligations by reason of: (a) severe weather and storms; (b) earthquakes or other disruptive natural occurrences; (c) strikes or other labor unrest; (d) power failures; (e) nuclear or other civil or military emergencies; (f) terrorist attacks; (g) acts of legislative, judicial, executive, or administrative authorities; or (h) any other circumstances that are not within its reasonable control. This Section 24.16 shall not apply to obligations imposed under Applicable Law.
- 24.17. **Time Periods.** Any of the time periods specified in this Agreement may be changed pursuant to the mutual written consent of NC HIEA and the affected Participant(s).

1. **Pharmacy System.** The timeline for connecting your organization will depend on various factors, including the technical resources and capabilities of your Pharmacy System vendor, any work already undertaken by NC HIEA, SAS Institute (“SAS,” our technology partner and subcontractor), and your Pharmacy System vendor to connect other Submitters, and resources available at your organization, NC HIEA, and SAS.
2. **Frequency of Submission.** Consistent with N.C.G.S. § 90-414.4(c), Submitter shall only be required to submit claims data once daily using the industry standardized formats identified herein but can establish near real time interface for reporting.
3. **Targeted Data Standards**
 - **NCPDP SCRIPT MedicationList.** Submitters shall submit data elements from the NCPDP SCRIPT MedicationList transaction to NC HealthConnex to the extent possible for all data pertaining to Medicaid, State Health Plan, and State-funded health services provided by Submitter, as required by Applicable Law
 - **Pharmacist eCare Plan.** Submitters may optionally submit the Pharmacist eCare Plan via Consolidated Clinical Data Architecture (C-CDA) for, at minimum, all data pertaining to Medicaid, State Health Plan, and State-funded health services provided by Submitter, as required by Applicable Law.
 - If Submitter chooses to submit additional data related to non-State funded health care services in addition to what is required by law, Submitter should also submit the aforementioned data elements in 2(a) and 2(b) to the extent possible. Submitter may also submit data beyond the Targeted Data Standards for State-funded and non-State funded health care services.

Onboarding Process Summary

This summary presents a high-level overview of the process to connect your organization to NC HealthConnex. **These steps are subject to change based on the availability of technical resources and functionality of your organization, your Pharmacy System vendor, and NC HIEA and SAS.**

1. NC HIEA will notify SAS of the receipt of your organization's fully executed Participation Agreement and of the contact information you provided in Attachment 2. Please note: Failure to provide contact information in Attachment 2 will slow the processing of your agreement and your connection to NC HealthConnex.
2. SAS will contact your technical services contact person to verify the technical information requested above and to gather contact information for other technical partners your organization may have.
3. NC HIEA will contact your organization to discuss your organization's user training needs along with pharmacist, clinician, and patient education on NC HealthConnex.
4. The next steps depend on the type of data connection your organization will have to NC HealthConnex.
 - a. For a Transport Layer Security (TLS) connection:
 - i. Your organization must complete a TLS connection document.
 - ii. SAS and your technical resources will build a TLS connection to your EHR and will coordinate testing with your organization.
 - iii. Test Data will be sent to the Test/Stage environment. Any issues will be documented and resolved.
 - iv. Prior to sending data to the production environment, you will be required to provide User Acceptance Approval.
 - v. Data feeds will be promoted to the production environment when all Parties are mutually satisfied with the interface build. Your data will be validated by SAS in collaboration with your technical resource staff and any issues will be documented and resolved.
 - vi. NC HIEA will notify your organization that you have been successfully connected to NC HealthConnex and your Participant Account Administrator will be provided user credentials for the NC HealthConnex Clinical Portal. Training and education materials will be made available to your organization as well.
 - b. For a Batch Secure File Transport Protocol (SFTP) connection:
 - i. Your organization will be assigned to a SAS data connector vendor, who will work with your organization and/or EHR Vendor to build connection to NC HealthConnex. This will require installing software on your Pharmacy System.
 - ii. SAS will implement a daily secure batch transfer of data.
 - iii. The data connector vendor will test file transfers from your Pharmacy System to NC HealthConnex.
 - iv. Data will be sent to the Test/stage environment. Any issues will be troubleshooted.
 - v. Prior to sending data to the production environment, you will be required to provide User Acceptance Approval.
 - vi. Data will be sent to the production environment when all Parties are mutually satisfied with the interface build. Your data will be validated by SAS in collaboration with your technical resource staff. Any issues will be troubleshooted.
 - vii. NC HIEA will notify your organization that you have been successfully connected to NC HealthConnex and your Participant Account Administrator will be provided user credentials for the Clinical Portal, if needed. Training and education materials will be made available to your organization as well.
 - c. For connections built through hubs or interfaces to the NC HealthConnex environment by your

Pharmacy System vendor, the Onboarding process will depend on your Pharmacy System vendor's system and capabilities, along with any previous work completed by NC HIEA and SAS with your Pharmacy System vendor.

- d. Similarly, if your organization will have Pharmacy Data integrated into your Pharmacy System, you may not require credentials to access the NC HealthConnex Clinical Portal. Further steps will need to be taken to build and test a bidirectional data connection to your Pharmacy System. You and your Pharmacy System vendor must collaborate with SAS to accomplish integration of Pharmacy Data into your Pharmacy System. This will require your organization to sign off after the integration is tested prior to production data flowing to your Pharmacy System.
5. Once your connection is established and you have access to NC HealthConnex, any technical issues your Authorized Users encounter should be directed to the SAS Help Desk at HIESupport@SAS.com. Please also consult the Technical Support information provided in Attachment 10.

Participants shall comply with the following requirements, which shall apply solely when the parties, through NC HealthConnex, acquire, access, use, or Disclose Protected Health Information over the eHealth Exchange. Capitalized terms not defined in the Participation Agreement can be found in the DURSA or in the NC HIEA Privacy and Security Policy.
- 1.1.1 **Permitted Purposes for Transacting Message Content.** The permitted purposes for which Participants or Participant Users may legitimately Transact Message Content over the eHealth Exchange through NC HealthConnex are as follows:
- a. Treatment of the individual who is the subject of the Message;
 - b. Payment activities of the Health Care Provider for the individual who is the subject of the Message which includes, but is not limited to, Transacting Message Content in response to or to support a claim for reimbursement submitted by a Health Care Provider to a Health Plan;
 - c. Health Care Operations of either:
 - i. the Submitter if the Submitter is a Covered Entity;
 - ii. a Covered Entity if the Submitter is Transacting Message Content on behalf of such Covered Entity; or
 - iii. the Recipient if (a) the Recipient is a Health Care Provider who has an established Treatment relationship with the individual who is the subject of the Message or the Recipient is Transacting Message Content on behalf of such Health Care Provider; and (b) the purpose of the Transaction is for those Health Care Operations listed in paragraphs (1) or (2) of the definition of Health Care Operations in 45 C.F.R. § 164.501 or health care fraud and abuse detection or compliance of such Health Care Provider;
 - d. Public health activities and reporting as permitted by Applicable Law, including the HIPAA Regulations at 45 C.F.R. § 164.512(b) or 164.514(e);
 - e. Any purpose to demonstrate meaningful use of certified electronic health record technology by the (i) Submitter, (ii) Recipient or (iii) Covered Entity on whose behalf the Submitter or the Recipient may properly Transact Message Content under this Agreement, provided that the purpose is not otherwise described in subsections 1-4 of this definition and the purpose is permitted by Applicable Law, including but not limited to the HIPAA regulations. “Meaningful use of certified electronic health record technology” shall have the meaning assigned to it in the regulations promulgated by the Department of Health and Human Services under the American Recovery and Reinvestment Act, Sections 4101 and 4102; and
 - f. Uses and disclosures pursuant to an Authorization provided by the individual who is the subject of the Message or such individual’s personal representative as described in 45 C.F.R. § 164.502(g) of the HIPAA Regulations.
- 1.1.2 Participants must Transact Message Content over the eHealth Exchange in accordance with the terms of the DURSA and must comply with the eHealth Exchange Performance and Service

Specifications and the Operating Policies and Procedures. These policies are available at the eHealth Exchange website available here: <https://ehealthexchange.org/how-to-join/>

1.1.3 Except to the extent prohibited by Applicable Law, Participants shall provide information that is reasonably requested of it by NC HIEA or by the eHealth Exchange Coordinating Committee for the following purposes, as described in Section 4.03 of the Restatement I to the DURSA. Such purposes include for the Coordinating Committee: to determine whether Participant may exchange Protected Health Information over the eHealth Exchange; to receive and act upon reports of eHealth Exchange Breaches; to suspend or terminate the right of NC HIEA or Participant to exchange Protected Health Information over the eHealth Exchange; to resolve disputes pertaining to the eHealth Exchange; or to fulfill other responsibilities delegated to the Coordinating Committee. Participant shall not be required to disclose PHI to the Coordinating Committee in violation of Applicable Law. Any information other than Protected Health Information provided to the Coordinating Committee shall be labeled as confidential business information.

1.1.4 NC HIEA may voluntarily suspend or terminate, or the Coordinating Committee may suspend or terminate, NC HIEA's right to exchange Protected Health Information over the eHealth Exchange. If any such suspension or termination occurs, NC HIEA will notify Participant of the action as soon as reasonably possible. If an act or omission of Participant is the reason such suspension or termination occurs, Participant shall cooperate with NC HIEA to submit an appeal or a plan of correction to the Coordinating Committee, as applicable, as quickly as practicable.

1.2 **Required Alternative Dispute Resolution.** Participants shall submit any disputes related to their exchange of Protected Health Information over the eHealth Exchange to the non-binding Dispute Resolution Process as required by the DURSA and outlined below. If all of the parties involved in the dispute accept a proposed resolution of the dispute, Participant shall implement the terms of the resolution in the agreed upon time frame. Following the Dispute Resolution Process, Participant may pursue alternative remedies if it believes that the Dispute Resolution Process failed to adequately resolve the dispute.

1.2.1 When a Dispute arises, a Participant shall send written Notice, in accordance with the Notice provision in the DURSA, to the other Participant(s) involved in the Dispute. The notice must contain a summary of the issue as well as a recommendation for resolution. The Participant must send a copy of the notice to the Dispute Resolution Subcommittee (see below) for informational purposes.

1.2.2 Within thirty (30) calendar days of receiving the notice, the Participants are obligated to meet and confer with each other, at least once in good faith and at a mutually agreeable location (or by telephone), to try to reach resolution (the "Informal Conference"). If the Participants reach a resolution at the Informal Conference, they shall provide Notification to that effect to the Dispute Resolution Committee.

1.2.3 If the Participants are unable to participate in an Informal Conference during the thirty (30) calendar day period or to reach resolution at the Informal Conference, they have ten (10) business days following the end of the thirty (30) calendar day period or the Informal Conference, respectively, in which to escalate the Dispute to the Dispute Resolution Subcommittee in writing.

a. The Dispute Resolution Subcommittee (the "Subcommittee") will be a five (5) member standing subcommittee of the Coordinating Committee. The Coordinating

Committee shall appoint each member of the Subcommittee for a definite term. The members must be representative of the Participants, have diverse skill sets, and be able to help facilitate and reach resolution on conflicts between the Participants. The Subcommittee must have access to legal counsel to advise it on the law relevant to matters before it.

- b. In addition to appointing the five (5) members of the Subcommittee, the Coordinating Committee must also appoint three (3) to five (5) alternates for the Subcommittee. Alternates will serve on the Subcommittee should any of the members have a conflict on a particular Dispute or in the event that a member(s) is unavailable. Subcommittee members are required to declare any conflicts in accordance with the Coordinating Committee's conflict of interest policy. Once a Subcommittee member declares a conflict, the remaining Subcommittee members shall decide amongst themselves whether such member must withdraw from the Subcommittee for the dispute in question.
 - c. The Subcommittee must also have access to panels of subject matter experts, as identified by the Coordinating Committee, for a variety of topics that may be implicated by a Dispute. Each subject matter expert panel must have at least three (3) experts on it who will rotate as advisors to the Subcommittee.
- 1.2.4 Once a Participant escalates a Dispute to the Subcommittee, the Subcommittee will have thirty (30) calendar days in which to convene a meeting of the involved Participants ("Committee Meeting"). During this meeting, each Participant shall be able to present its version of the Dispute and any information that it believes is pertinent to the Subcommittee's decision.
- 1.2.5 The Subcommittee shall have the ability to request additional information from the Participants to help it make its determination. The Subcommittee, however, shall not have the authority to compel a response or the production of testimony or documents by the Participants. To the extent that the Participants do respond to requests of the Subcommittee by producing documents, Participants shall have the ability to mark the documents produced as "Confidential Participant Information" and the Subcommittee shall treat those documents in accordance with Section 16 of the DURSA.
- 1.2.6 The Subcommittee is encouraged to develop an appropriate and equitable resolution of each submitted Dispute, considering all available evidence, the goals of the Agreement and other relevant considerations. The Subcommittee must also have the authority to recommend sanctions for the breaching Participant. These sanctions include developing corrective action plans, suspension of participation rights, and termination of participation rights. The type of sanction will depend on the nature and severity of the breach.
- 1.2.7 Within fifteen (15) calendar days of the Subcommittee Meeting, the Subcommittee shall issue a written recommendation for resolution, including an explanation of the basis and rationale of its recommendation. If either Participant is dissatisfied with the Subcommittee's recommendation for resolution, it shall have five (5) business days in which to escalate the Dispute to the Coordinating Committee.
- 1.2.8 Within twenty (20) calendar days of receiving notice of escalation from a Participant, the Coordinating Committee shall review the Subcommittee's recommendation along with the information on which such recommendation was based and issue a final resolution. The Coordinating Committee may seek additional information from the Participants to aid its resolution of the Dispute.

- 1.2.9 Within seven (7) calendar days of receiving the final resolution from the Coordinating Committee, the Participants shall determine whether to accept or reject the resolution and so notify the Coordinating Committee.
- 1.2.10 The Coordinating Committee shall send a written summary of the resolution of the Dispute to all Participants. The summary will not identify the Participants involved, but will contain sufficient detail about the resolution to serve as an instructive resource for other Participants.
- 1.2.11 In no case shall a Participant be required to disclose PHI in violation of Applicable Law as part of its participation in the Dispute Resolution Process. The decision to not disclose PHI shall not be held against a Participant in the Dispute Resolution Process.

Technical Support

For more information on capitalized terms used in this Attachment but not defined in the Participation Agreement, please direct any questions to the SAS Technical Support Team.

Contacting the NC HealthConnex Technical Support Team

SAS NC HealthConnex Participant Account Administrator Assignment:

- The designated NC HealthConnex Participant Account Administrator (PAA) is recognized as the point of contact to utilize the SAS NC HealthConnex Technical Support Team and Help Desk.
- If the PAA chooses to add additional PAA that will coordinate with SAS, the existing PAA should communicate the additional PAA's name and contact information to the SAS NC HealthConnex Technical Support Team at HIEsupport@sas.com. Please also communicate any future changes to administration so that contact information will be kept up to date.
- All Authorized Users from your organization should communicate any questions they have about usage of NC HealthConnex to their PAA. The PAA should first try to answer the question for their Authorized Users. If they are unable to answer the question or has discovered an issue with the application, they should then direct questions, themselves, to the SAS NC HealthConnex Technical Support Team on behalf of their Authorized Users using one of the options below.

NC HealthConnex Technical Support Communication Options:

As a PAA, you have three options for communicating with our SAS NC HealthConnex Technical Support team:

SAS Email Support: HIEsupport@sas.com

SAS Phone Support: (919) 531-2700

SAS Technical Support Form: <http://support.sas.com/ctx/supportform/createForm>

In the "Product" field, select "NC Health Information Exchange (HIE) - HealthConnex"

All three options are tied closely with our customer issue tracking/ticketing systems, which ensures documentation of all issues and conversations, as well as providing timely responses and feedback. Details of how to use each option is listed below. If you have questions about the options reach out to us. We are happy to help you determine the best option for your organization.

Note: *Please use only these three options. Avoid communication via individual email accounts and phone extensions. This ensures that the entire team knows about all issues submitted and that all team members have backup in case they are away from their desk or office. If you have been working with a specific Analyst on an issue, you will be forwarded to them so they may continue to assist you (or you may request that this occurs).*

General Technical Support Hours of Operation:

- Monday through Friday 8:00 a.m. to 8:00 p.m. Eastern Time
- See details below for after-hours emergency and outage support

Technical Support Communication Options Details:

Email Support:

Please send all email requests or issue communication to HIESupport@sas.com.

- Your email will go directly to the SAS NC HealthConnex Technical Support Team, a new issue Track will be created, and a *10-digit Track number* will be assigned/mailed to you. This 10-digit Track number is important and should be used in all on-going issue communication.
- You can update an existing Track by sending the *existing 10-digit Track number in the subject line* to HIESupport@sas.com or by replying to the new Track confirmation email you receive. All members of the SAS NC HealthConnex support team are immediately notified when a Track is raised in this manner, as is the Analyst who is currently assisting you.
- Verify that any email SPAM software will not block our e-mail responses from HIESupport@sas.com.
- Please be detailed in your problem description by including the following information:
 - Steps to reproduce and demonstrate the issue
 - Results the user received (for example, if there was an error message what did it state, expected results were incorrect and how, etc.)?
 - Screen shots showing the error message as well as input prior to the error occurring
 - Time, date and user experiencing the issue
 - Client workstation details if appropriate (browser version, operating system, etc.)
 - Is it an isolated incident or on going?
- Please refrain from contacting the support team via direct email addresses. Our goal is to respond to you as quickly as possible and document all communication around a specific issue. If you email an Analyst directly, and that person is away or on vacation, you may experience delays in response times. Emailing the support address guarantees the email will be handled quickly and the details of your communication will be captured in the issue tracking system via the 10-digit Track number.
Note: All Severity 1 and 2 issues occurring outside 8 am to 8 pm ET must be submitted via phone to guarantee response times listed above.

Phone Support:

Please use the following phone number to call the SAS NC HealthConnex Technical Support Team: (919) 531-2700 **press option "2"**

- You will then be prompted to enter "1" if you have a Track number (an existing issue) or enter "2" to speak with the operator (a new issue).
 - If this is an existing issue, please locate your SAS NC HealthConnex 10-digit Track number prior to making the call and provide it when prompted.
 - If this is a new issue, the Technical Support Analyst will provide a 10-digit issue Track number during the call (be sure to ask for one if you do not receive it!).
- If you entered "1" you will be routed to the Track owner during normal business hours (8 am -8 pm Eastern Time).
- A Technical Support Analyst will answer the call. **Between 8:00 AM and 8:00 PM EST, ask to speak with a NC HealthConnex Technical Support Representative if they do not identify themselves as such.** If after hours, and not an emergency, you can leave a message for technical support.
Note: All Severity 1 and 2 issues occurring outside 8 am to 8 pm ET must be submitted via phone to guarantee response times listed above.

Emergency Issues After-Hours

If your organization experiences a **total NC HealthConnex system or operational failure**; this is considered a critical Severity 1 or 2 issue (see definitions above).

- Please have the PAA and/or your IT point of contact validate that the outage/issue is occurring for all users and is not related to your facility’s systems or infrastructure.
- If your contract states you have 24-hour support for Emergency Issues, please call the SAS phone support lines for assistance, **919-677-8008** -or- **800-727-0025**.
 - The SAS operator will forward you to a live, SAS Technical Support representative who will gather information to initiate a Track.
 - Please provide after-hours contact information for the main point of contact as well as the IT point of contact if applicable (for example, VPN /bi-directional feed usage Participants) and ensure both are available to help triage issues at that time (both are required for emergency tickets to be addressed after hours if you connect to the NC HealthConnex via VPN /bi-directional feed).
 - The SAS Technical Support representative will then contact an on-call SAS NC HealthConnex/SSOD Support Representative to work with your team.
 - On these occasions, you should expect a call back from a SAS NC HealthConnex/SSOD Support representative within 2 hours of your initial contact.
 - During off-hours support, you may be asked to provide your SAS Site Number.
- Because SAS cannot guarantee less than 24-hour response on problems tracked electronically, you should report Severity 1 or 2 problems **by phone**. If you chose to send an email or enter a Technical Support Form, your issue will be addressed the following business-day morning.
