- c. If Submitter is a governmental entity, the Submitter shall comply with the applicable privacy and security laws.
- d. If NC HIEA is a Business Associate of a Covered Entity or of another Business Associate, NC HIEA does, and shall at all times, comply with the provisions of its Business Associate Agreements and Applicable Law.

10.02. **Breach Notification.** The following provisions apply to both a HIPAA Breach and a Security Breach as defined in Section 2 (Definitions). For this Section only, the term “Breach” refers to either a HIPAA Breach or a Security Breach, each to the extent they affect Pharmacy Data submitted by Submitter hereunder.

- a. The Parties agree that as soon as reasonably practicable, but no later than twenty-four (24) hours after determining that a Breach has occurred, the Party shall provide a Notification to the other Party. Submitter must also alert the SAS Help Desk at HIEmail@sas.com and describe the incident as soon as reasonably practicable, but no later than twenty-four (24) hours after determining that a Breach has occurred. The Notification should include sufficient information for the other Party to understand the nature of the Breach. For instance, such Notification could include, to the extent available at the time of the Notification, the following information:
 - 1. One or two sentence description of the Breach
 - 2. Description of the roles of the people involved in the Breach (e.g. employees, Authorized Users, service providers, unauthorized persons, etc.)
 - 3. The type of data Breached
 - 4. Submitters likely impacted by the Breach
 - 5. Number of individuals or records impacted/estimated to be impacted by the Breach
 - 6. Actions taken by the Submitter to mitigate the Breach
 - 7. Current Status of the Breach (under investigation or resolved)
 - 8. Corrective action taken and steps planned to be taken to prevent a similar Breach.
- b. The Party reporting the Breach shall supplement the information contained in the Notification as it becomes available and cooperate with the other Party in accordance with Section 1 of this Agreement. The Notification required by this Section 10.02 shall not include any PHI. If, on the basis of the Notification, NC HIEA determines that (i) other Submitters that have not been notified of the Breach would benefit from a summary of the Notification or (ii) a summary of the Notification to the other Submitters would enhance the security of NC HealthConnex, it may provide, in a timely manner, a summary to such Submitters that does not identify any of the individuals involved in the Breach.
- c. Information provided by either Party in accordance with this Section 10.02 may be “Confidential Information.” Such “Confidential Information” shall be treated in accordance with Section 12.
- d. This Section 10.02 shall not be deemed to supersede either Party’s obligations (if any) under relevant security incident, Breach notification or confidentiality provisions of Applicable Law.
- e. Compliance with this Section 10.02 shall not relieve either Party of any other security incident or Breach reporting requirements under Applicable Law including, but not limited to, those related to consumers.

11. Representations and Warranties.

- 11.01. **Accurate Submitter Information.** Except to the extent prohibited by Applicable Law and subject to the limitations in Section 1, each Submitter has provided, and shall continue to provide, NC HIEA with all information reasonably requested by NC HIEA, solely as needed by NC HIEA to discharge its duties under this Agreement or Applicable Law, including during the Dispute Resolution Process. Any information provided by a Submitter to NC HIEA shall be responsive and accurate. Each Submitter shall provide Notice to NC HIEA if any information provided by the Submitter to NC HIEA materially changes. Each Submitter acknowledges that NC HIEA reserves the right to confirm or otherwise verify or check, in its sole discretion, the completeness and accuracy of any information provided by a Submitter at any time and each Submitter shall reasonably cooperate with NC HIEA in such actions, given reasonable prior notice. This Section 11.01 does not apply to Pharmacy Data or HIE Data.
- 11.02. **Execution of the Participation Agreement.** Prior to submitting data to NC HealthConnex, each Submitter shall have executed this Agreement and returned an executed copy of this Agreement to NC HIEA. In doing so, the Submitter affirms that it has full power and authority to enter into and perform this Agreement and has taken whatever measures necessary to obtain all required approvals or consents in order for it to execute this Agreement. The representatives signing this Agreement on behalf of the Submitters affirm that they have been properly authorized and empowered to enter into this Agreement on behalf of the Submitter and any Participating Entities.
- 11.03. **Creation of Test Data.** Submitter shall submit test data that closely approximates the production of Pharmacy Data intended to be submitted to NC HIEA. Any Test Data that has been created, or will be created shall not contain any personal or individually identifiable information, including without limitation, PHI.
- 11.04. **Accuracy of Pharmacy Data Submission.** Each Submitter, hereby represents that at the time of transmission from Systems of Submitter, the Pharmacy Data submitted is (a) an accurate representation of the data contained in, or available through, its System, (b) sent from a System that employs security controls that meet industry standards so that the information being transmitted are intended to be free from malicious software in accordance with Section 7.03, and (c) provided in a timely manner and in accordance with N.C.G.S. § 90-414.4(b). Other than those representations in Sections 11.04 and 11.05, the Submitter makes no other representation, express or implied, about the Pharmacy Data submitted.
- 11.05. **Express Warranty of Authority to Submit Pharmacy Data.** Each Submitter represents and warrants that it has sufficient authority to submit such Pharmacy Data to NC HIEA as required hereunder.
- 11.06. **Auditing.** Each Party represents that, through its agents, employees, and independent contractors, it shall have the ability to monitor and audit all access to and use of its own Systems related to this Agreement, for system administration, security, and other legitimate purposes. The Parties shall perform those auditing activities required by Applicable Law and their respective policies and procedures.
- 11.07. **Compliance with Laws.** The Parties shall, at all times, fully comply with all Applicable Law relating to this Agreement.
- 11.08. **Absence of Final Orders.** Each Submitter hereby represents and warrants that, as of the Effective Date, it is not subject to a final order issued by any federal, State, local or international court of competent jurisdiction or regulatory or law enforcement organization, which will materially impact the Submitter's ability to fulfill its obligations under this Agreement. Each Submitter shall inform NC HIEA if at any point during the term of this Agreement it becomes subject to such an order.

12. Confidential Information.

- 12.01. **Confidential Submitter Information.** NC HIEA shall hold all Confidential Submitter Information in confidence and agrees that it shall not, during the term or after the termination of this Agreement, disclose

to any person or entity, nor use for its own business or benefit, any information obtained by it in connection with this Agreement, unless such use or redisclosure is expressly authorized by the terms of this Agreement.

- 12.02. **Application of the North Carolina Public Records Act.** NC HIEA may receive from Submitter certain types of information described in N.C.G.S. §132-1 *et seq.* (“Public Records Act”), as illustrated in Section 2.04 hereinabove, which NC HIEA shall protect in accordance with Section 12.01. Submitter may designate data and information as confidential as described in the definition of Confidential Submitter Information. NC HIEA shall promptly notify Submitter of a public record request involving information that Submitter has deemed confidential pursuant to this Agreement. Submitter must then notify NC HIEA in writing whether to disclose the information or to restrict disclosure. The Parties shall cooperate and assist each other in preparing an appropriate response to the request or action if the records responsive to the request include Confidential Submitter Information. If an action is brought pursuant to N.C.G.S. §132-9 to compel NC HIEA to disclose information submitted by Submitter that is marked confidential, NC HIEA shall provide Submitter prompt written notice of such action. If the Submitter has requested in writing that NC HIEA not disclose the Confidential Submitter Information, Submitter shall promptly intervene in the action through its counsel and participate in defending NC HIEA’s right to not disclose such information pursuant to the Public Records Act, including any public official(s) or public employee(s) of the NC HIEA if directly related to the Public Records Act request. NC HIEA shall have the right, at its option and expense, to participate in the defense of the action through its counsel. If, in such action, a court enters a judgment against the State for failure of the NC HIEA to release Confidential Submitter Information pursuant to the Public Records Act request, to the extent such failure was at the direction of Submitter in the action, Submitter shall be responsible for any damages issued against the NC HIEA pursuant to N.C.G.S. § 132-9 directly caused thereby, except to the extent that such damages arise out of the NC HIEA’s failure to comply with the terms of this Section 12.02 or to reasonably cooperate with Submitter’s counsel in its intervention into the action. Provided, however that such damages and costs shall not include costs of legal representation by the N.C. Dept. of Justice as described in G.S. § 114-8.5. NC HIEA shall have no liability to Submitter with respect to the disclosure of Confidential Submitter Information ordered by a court of competent jurisdiction pursuant to and in accordance with N.C.G.S. § 132-9 or other Applicable Law and the terms of this Section 12.02.
13. **Carrier Lines.** The Parties acknowledge that the submission of Pharmacy Data to NC HIEA is to be provided over various facilities and communications lines, and information shall be transmitted over local exchange and Internet backbone carrier lines and through routers, switches, and other devices (collectively, “carrier lines”) owned, maintained, and serviced by third-party carriers, utilities, and Internet service providers, all of which may be beyond the Submitters’ control. Provided a Submitter uses reasonable security measures, no less stringent than those directives, instructions, and specifications contained in this Agreement, the Submitters assume no liability for or relating to the integrity, privacy, security, confidentiality, or use of any information while it is transmitted over those carrier lines, which are beyond the Submitters’ control, or any delay, failure, interruption, interception, loss, transmission, or corruption of any Pharmacy Data, HIE Data, or other information attributable to transmission over those carrier lines which are beyond the Submitters’ control. Use of the carrier lines is solely at the Submitters’ risk and is subject to all Applicable Law.
14. **Liability.**
- 14.01. **Submitter Liability.** Submitter shall be responsible for its acts and omissions and not for the acts or omissions of NC HIEA or any other Submitter or Participant. In circumstances involving harm to other Submitters or Participants caused by Submitter or by use of any password, identifier, or log-on received or obtained directly or indirectly, lawfully or unlawfully, from the Submitter or any of its Authorized Users, each Submitter shall be responsible for such harm to the extent that such Authorized User’s access was directly caused by the Submitter’s breach of the Agreement or its negligent conduct for which there is a civil remedy under Applicable Law. Notwithstanding any provision in this Agreement to the contrary, Submitter shall not be liable for any act or omission if a cause of action for such act or omission is otherwise

prohibited by Applicable Law. This Section shall not be construed as a hold harmless or indemnification provision.

- 14.02. **NC HIEA Liability.** Submitter shall not hold NC HIEA, the NC HIEA Advisory Board, or any of their members liable for or relating to any impairment of the privacy, security, confidentiality, integrity, availability, or restricted use of any information on a Submitter's System resulting from any Submitter's actions or failures to act, except to the extent such action or failure to act was directed by NC HIEA, including, the failure to execute legally required contracts (such as business associate agreements or contract containing required terms under HIPAA) and provided that NC HIEA shall not access or reach in to Submitter's System for any reason. NC HIEA disclaims all liability connected to Pharmacy Data, HIE Data, or Confidential Submitter Information provided to NC HIEA by Submitter in contravention of Applicable Law. NC HIEA does not waive any defenses or rights based upon sovereign immunity of the State of North Carolina.
- 14.03. **Effect of Agreement.** Except as provided in Section 13 (Carrier Lines) and 16 (Dispute Resolution), nothing in this Agreement shall be construed to restrict a Submitter's right to pursue all remedies available under law for damages or other relief arising from acts or omissions of other Submitters related to this Agreement, or to limit any rights, immunities or defenses to which a Submitter or Authorized User may be entitled under Applicable Law.

15. **Term, Suspension and Termination.**

- 15.01. **Term.** The initial term of this Agreement shall begin on the date signed by both Submitter and NC HIEA and extend for one year measured from the Effective Date. The Parties shall complete all necessary Onboarding activities and meet any Onboarding and Technical Specifications during the period following execution of this Agreement and prior to the Go Live Date. Upon the expiration of the initial term, this Agreement shall automatically renew for successive one-year terms unless terminated pursuant to this Section 15.
- 15.02. **Suspension or Termination by Submitter.** Submitter may terminate its own right to submit HIE Data by terminating this Agreement, with or without cause, by giving NC HIEA at least five (5) business days prior written Notice. Once proper Notice is given, NC HIEA shall be empowered to revoke the Submitter's Digital Credentials as of the date of termination specified in the Notice.
- 15.03. **Suspension by NC HIEA.** Upon NC HIEA completing a preliminary investigation and in good faith reasonably determining that there is a substantial likelihood that a Submitter's acts or omissions create an immediate threat or will cause irreparable harm to another party including, but not limited to, a Submitter; an Authorized User; the integrity or operation of NC HealthConnex; or an individual whose PHI is submitted to NC HIEA; the Submitters hereby grant to NC HIEA the power to summarily suspend, to the extent necessary to address the threat posed by the Submitter, a Submitter's Digital Credentials, pending the submission and approval of a corrective action plan, as provided in this Section. Upon suspension, NC HIEA shall immediately suspend the Submitter's Digital Credentials and within twelve (12) hours (i) provide a notice of such suspension to all Submitters; and (ii) provide to the suspended Submitter a written summary of the reasons for the suspension. The Submitter shall use reasonable efforts to respond to the suspension Notice with a detailed plan of correction or an objection to the suspension within three (3) business days or, if such submission is not reasonably feasible within three (3) business days, then at the earliest practicable time. If the Submitter submits a plan of correction, NC HIEA shall, within five (5) business days, review and either accept or reject the plan of correction. If the plan of correction is accepted, NC HIEA shall, upon completion of the plan of correction, reinstate the Submitter's Digital Credentials and provide a notice to all Submitters of such reinstatement. If the plan of correction is rejected, the Submitter's suspension will continue, during which time NC HIEA and the Submitter shall work in good faith to develop a plan of correction that is acceptable to both the Submitter and NC HIEA. At any time after NC HIEA rejects a Submitter's plan of correction, either the Submitter or NC HIEA may submit a Dispute to the Dispute Resolution Process described in Section 16. If NC HIEA and the Submitter cannot

reach agreement on a plan of correction through the Dispute Resolution Process, NC HIEA may terminate the Submitter in accordance with this Section.

15.04. **Termination by NC HIEA.** Submitter hereby acknowledges and agrees that NC HIEA may terminate Submitter's right to submit Pharmacy Data and/or HIE Data as follows:

- a. After taking a suspension action in accordance with Section 15.03 when there is a substantial likelihood that the Submitter's acts or omissions create an immediate threat or will cause irreparable harm to another party including, but not limited to, a Submitter, an Authorized User, integrity or operation of NC HealthConnex, or an individual whose PHI is submitted as Pharmacy Data or HIE Data to NC HIEA; or
- b. In the event a Submitter is in material default of the performance of a duty or obligation imposed upon it by this Agreement and such default has not been substantially cured within thirty (30) calendar days following receipt by the defaulting Submitter of written Notice thereof from NC HIEA.

A Submitter whose Digital Credentials are revoked by virtue of termination may appeal such revocation through the Dispute Resolution Process. However, during the pendency of any such appeal, the Submitter's Digital Credentials may continue to be revoked at the discretion of NC HIEA.

15.05. **Effect of Termination.** Upon any termination of this Agreement for any reason, the terminated party shall cease to be a Submitter and thereupon and thereafter neither that Party nor its Authorized Users shall have any rights to submit Pharmacy Data and/or HIE Data to NC HIEA (unless such Authorized Users have an independent right to submit Pharmacy Data and/or HIE Data through another Submitter). NC HIEA shall revoke a terminated Submitter's Digital Credentials. Once NC HIEA revokes the Submitter's Digital Credentials, NC HIEA shall provide Notice of such revocation to the remaining Submitters. In the event that any Submitter(s) is terminated, this Agreement will remain in full force and effect with respect to all other Submitters.

15.06. **Availability of Funds.** The operations of NC HealthConnex are expressly contingent upon and subject to the appropriation, allocation, and availability of funds to NC HIEA for the purposes set forth in this Agreement. Notwithstanding NC HIEA's authority to become self-supporting, operations funded in whole or in part by federal funds or appropriations by the N.C. General Assembly shall be subject to and contingent upon the continuing availability of such funds for the purposes of this Agreement. If funds to support NC HIEA operations are not available, NC HIEA will provide written notification to Submitter together with notice of termination. NC HIEA shall have no liability or continuing obligation if this Agreement is terminated for lack of available funds.

16. Dispute Resolution.

16.01. **General.** The Parties acknowledge that it may be in their best interest to resolve Disputes through an alternative Dispute Resolution Process rather than through civil litigation. The Parties have reached this conclusion based upon the fact that the legal and factual issues involved in this Agreement are unique, novel, and complex and limited case law exists which addresses the legal issues that could arise from this Agreement. Except in accordance with Section 16.02, if a Party refuses to participate in the Dispute Resolution Process, such refusal shall constitute a material breach of this Agreement and may be grounds for termination in accordance with Section 15. During the time the Parties are attempting to resolve any Dispute, each shall proceed diligently to perform their respective duties and responsibilities under this Agreement. If a Dispute cannot be resolved between the Parties within thirty (30) days after delivery of notice, either Party may elect to exercise any other remedies available under this Agreement, or at law; or invite the other party to submit the matter to mediation.

16.02. **Immediate Injunctive Relief.** A Party may be relieved of its obligation to participate in the Dispute Resolution Process if such Party (i) believes that the other Party's acts or omissions create an immediate threat to the confidentiality, privacy or security of data or will cause irreparable harm to another party (Submitter, Authorized User, the integrity or operation of NC HealthConnex, or consumer) and (ii) pursues immediate injunctive relief against such other party in a court of competent jurisdiction. The Party pursuing

immediate injunctive relief must provide a Notification to the other Party of such action within 24 hours of filing for the injunctive relief and of the result of the action within 24 hours of learning of same.

- 16.03. If the injunctive relief sought in Section 16.02 is not granted and the Party seeking such relief chooses to pursue the Dispute, the Parties must then submit to the Dispute Resolution Process in accordance with this Section 16.03. If both Parties agree to submit the matter to mediation, the following actions shall be taken:
- a. Each Party shall recommend a mediator certified by the North Carolina Courts after first determining that the recommended mediator, and said mediator's firm, if any, have no conflict or prior knowledge of the Dispute to be resolved, and no prior work for or against either Party; and,
 - b. The recommended mediators must have knowledge of the general subject matter of the Applicable Law; and,
 - c. The recommended mediators must be able to execute and deliver a satisfactory confidentiality and non-disclosure agreement if information exempt from disclosure under N.C. Gen. Stat. §132-1, *et seq.* is relevant or material to the matter to be resolved; and,
 - d. Recommended mediators and their respective contact and qualification information shall be exchanged within five (5) days to each Party following the agreement to mediate; and
 - e. Unless the Parties mutually agree to select a particular mediator, the selection of a mediator shall be determined by the mediator's earliest available date to initiate mediation. Any agreement to mediate shall require the Parties to appear and mediate the matter in good faith in accordance with the schedule and calendar established by the Mediator; and,
 - f. Provided, however, that this term shall not constitute an agreement by either Party to mediate or arbitrate any Dispute; and that any agreement to mediate may be revoked or terminated without penalty therefore if so advised by the North Carolina Attorney General.
- 16.04. **Activities During Dispute Resolution Process.** Pending resolution of any Dispute under this Agreement, the Parties agree to fulfill their responsibilities in accordance with this Agreement.
- 16.05. **Implementation of Agreed Upon Resolution.** If, at any point during the Dispute Resolution Process, all of the Parties to the Dispute accept a proposed resolution of the Dispute, the Parties agree to implement the terms of the resolution in the agreed upon timeframe.
- 16.06. **Reservation of Rights.** If, following the Dispute Resolution Process, in the opinion of any involved Party, the mandatory Dispute Resolution Process failed to adequately resolve the Dispute, the Parties may pursue any remedies available to it in a court of competent jurisdiction.
17. **Publications.**
- 17.01. Any Submitter published or distributed reports, data, or other information that reference NC HIEA or NC HealthConnex shall contain a disclaimer statement to the following effect: Any opinions, findings, conclusions, or recommendations expressed in this publication are those of the author(s) and do not necessarily reflect the view and policies of NC HIEA.
 - 17.02. NC HIEA may publish or arrange for the publication of information resulting from work carried out under this Agreement, and copyright any books, publications, films, or other copyrightable materials developed in the course of or resulting from work under this Agreement.
18. **Notices.** All Notices to be made under this Agreement shall be given in writing to the appropriate Submitter's representative at the address listed in Attachment 1, and shall be deemed given: (i) upon delivery, if personally delivered; (ii) upon the date indicated on the return receipt, when sent by the United States Postal Service Certified Mail, return receipt requested; and (iii) if by a form of electronic transmission, upon receipt when the Notice is directed to an electronic mail address listed on Attachment 1 and the sending electronic mail address receives confirmation of receipt by the electronic mail address.
19. **Medicare Record Access.** In compliance with 42 U.S.C. §1395x(v)(1)(I) and implementing regulations, NC HIEA agrees, until the expiration of four (4) years after the services are furnished under this Agreement, to allow the

Secretary of the U.S. Department of Health and Human Services and the Comptroller General access to this Agreement, all applicable purchase orders, and to the books, documents, and records of NC HIEA necessary to verify the nature and extent of the costs of this Agreement. NC HIEA further agrees that if any of the duties of this Agreement are carried out by a subcontractor of NC HIEA, such subcontract will contain a clause to the effect that, until the expiration of four (4) years after the services are furnished under such subcontract, the Secretary of the U.S. Department of Health and Human Services and the Comptroller General will have access to such subcontract and to the books, documents and records of the subcontractor necessary to verify the nature and extent of the costs of such subcontract. This Section will survive the expiration or termination of this Agreement.

20. Miscellaneous/General.

- 20.01. **Governing Law.** This Agreement is made under and shall be governed and construed in accordance with the laws of the State of North Carolina. The place of this Agreement or purchase order, its situs and forum, shall be Wake County, North Carolina, where all matters, whether sounding in contract or in tort, relating to its validity, construction, interpretation, and enforcement shall be determined. Submitter agrees and submits, solely for matters relating to this Agreement, to the jurisdiction of the courts of the State of North Carolina, and stipulates that Wake County shall be the proper venue for all matters.
- 20.02. **Authority; No Conflict.** NC HIEA and Submitter each represent and warrant to the other as follows: (i) that it is authorized to enter into this Agreement and to perform its obligations hereunder, and that the individual signatory executing this Agreement on its behalf is authorized, and has the capacity, to so execute this Agreement on its behalf, and (ii) that the execution of this Agreement by it and the performance of its obligations hereunder shall not conflict with or result in, with or without the passage of time or the giving of notice thereof, any breach, default or violation of any third party agreement to which it is bound, or any judgment, order or ruling of any court, administrative or regulatory agency or body, or arbitration award, to which it is bound or subject.
- 20.03. **Amendment.** This Agreement may be amended by agreement between the Parties. However, if the change is required for NC HIEA or Submitters to comply with Applicable Law, NC HIEA may implement the change within a time period NC HIEA determines is appropriate under the circumstances. All Submitters shall be required to sign an amendment adopted in accordance with the provisions of this Section or terminate participation in accordance with Section 15.
- 20.04. **Governmental Restrictions.** In the event any restrictions are imposed by governmental requirements that necessitate alteration of the performance of this Agreement, each Party shall provide written notification of the necessary alteration(s) to the other Party's Contract Administrator as provided in Attachment 2. NC HIEA reserves the right to accept any such alterations, including any price adjustments occasioned thereby, or to cancel the Agreement. NC HIEA may advise Submitter of any restrictions or changes in specifications required by North Carolina legislation, rule or regulatory authority that require compliance by the State. In such event, Submitter shall use its best efforts to comply with the required restrictions or changes. If compliance cannot be achieved by the date specified by NC HIEA, NC HIEA may terminate this Agreement.
- 20.05. **Inspection At Submitter's Site.** The State reserves the right to inspect, during Submitter's regular business hours at a reasonable time, upon notice of not less than two (2) weeks, and at its own expense, the prospective equipment or other tangible goods, or the plant or other physical facilities of a prospective Submitter prior to Contract award, and during the Agreement term solely as necessary or proper to ensure conformance with the specifications or requirements and their adequacy and suitability for the proper and effective performance of the Agreement.
- 20.06. **Audit, Access To Records.** Pursuant to N.C.G.S. §147-64.7, the Agency, the State Auditor, appropriate federal officials, and their respective authorized employees or agents are authorized to examine all books, records, and accounts of the Submitter insofar as they relate to transactions with any department, board, officer, commission, institution, or other agency of the State of North Carolina pursuant to this Agreement or to costs charged to this Agreement. The Submitter shall retain any such books, records, and accounts for a minimum of three (3) years after the completion or termination of this Agreement. Additional audit

or reporting requirements may be required by any Agency, if in the Agency's opinion, such requirement is imposed by federal or state law or regulation.

- 20.07. **Assignment.** No Party shall assign or transfer this Agreement, or any part thereof, without the express written consent of NC HIEA. Any assignment that does not comply with the requirements of this Section shall be void and have no binding effect. NC HIEA, in its own discretion, will not unreasonably withhold its approval of an assignment in the context of a merger, acquisition, or sale of Submitter.
- 20.08. **Conflicts Of Interest.** Submitter acknowledges and represents that it has adopted policies governing conflicts of interest and ethics in the exercise of its authority, and its actions under this Agreement. Submitter will review, disclose, and employ its best efforts to resolve any anticipated or reported conflict of interest or issue involving its ethics policies during the performance of this agreement.
- 20.09. **Survival.** The provisions of Sections 2, 12, 14, 16, 19, 20.01, 20.09, and 20.11 shall survive the termination of this Agreement for any reason.
- 20.10. **Waiver.** No failure or delay by any Submitter in exercising its rights under this Agreement shall operate as a waiver of such rights, and no waiver of any right shall constitute a waiver of any prior, concurrent, or subsequent right.
- 20.11. **Entire Agreement.** This Agreement, together with all Attachments, sets forth the entire and only Agreement among the Parties relative to the subject matter hereof. This Participation Agreement replaces and supersedes all prior participation or subscription agreements between NC HIEA and Submitter, and expresses the entire understanding of the Parties with respect to the transactions contemplated herein, and shall not be amended, modified or altered except pursuant to Section 20.03. Any representation, promise, or condition, whether oral or written, not incorporated herein, shall not be binding upon any Party.
- 20.12. **Validity of Provisions.** In the event that a court of competent jurisdiction shall hold any Section, or any part or portion of any Section of this Agreement, invalid, void or otherwise unenforceable, each and every remaining Section or part or portion thereof shall remain in full force and effect.
- 20.13. **Headings.** The headings throughout this Agreement are for reference purposes only, and the words contained therein may in no way be held to explain, modify, amplify, or aid in the interpretation or construction of meaning of the provisions of this Agreement. All references in this instrument to designated "Sections" and other subdivisions are to the designated Sections and other subdivisions of this Agreement. The words "herein," "hereof," "hereunder," and other words of similar import refer to this Agreement as a whole and not to any particular Section or other subdivision.
- 20.14. **Relationship of the Submitters.** The Submitters are independent contracting entities. Nothing in this Agreement shall be construed to create a partnership, agency relationship, or joint venture among the Parties. Neither NC HIEA nor any Submitter shall have any authority to bind or make commitments on behalf of another Submitter for any purpose, nor shall any such Party hold itself out as having such authority. No Submitter shall be held liable for the acts or omissions of another Submitter.
- 20.15. **Third-Party Beneficiaries.** With the exception of the Submitters to this Agreement, there shall exist no right of any person to claim a beneficial interest in this Agreement or any rights occurring by virtue of this Agreement.
- 20.16. **Force Majeure.** A Submitter shall not be deemed in violation of any provision of this Agreement if it is prevented from performing any of its obligations by reason of: (a) severe weather and storms; (b) earthquakes or other disruptive natural occurrences; (c) strikes or other labor unrest; (d) power failures; (e) nuclear or other civil or military emergencies; (f) terrorist attacks; (g) acts of legislative, judicial, executive, or administrative authorities; or (h) any other circumstances that are not within its reasonable control. This Section shall not apply to obligations imposed under Applicable Law.
- 20.17. **Time Periods.** Any of the time periods specified in this Agreement may be changed pursuant to the mutual written consent of NC HIEA and the affected Submitter(s).

Technical Specifications for Onboarding & Targeted Data Standards

1. **Pharmacy System.** The timeline for connecting your organization will depend on various factors, including the technical resources and capabilities of your Pharmacy System vendor, any work already undertaken by NC HIEA, SAS Institute (“SAS,” our technology partner and subcontractor), and your Pharmacy System vendor to connect other Submitters, and resources available at your organization, NC HIEA, and SAS.
2. **Frequency of Submission.** Consistent with N.C.G.S. § 90-414.4(c), Submitter shall only be required to submit claims data once daily using the industry standardized formats identified herein but can establish near real time interface for reporting.
3. **Targeted Data Standards**
 - a. **NCPDP SCRIPT MedicationList. or NC HealthConnex Pharmacy Submission Delimited File.** Submitters shall submit data elements from the NCPDP SCRIPT MedicationList transaction or the NC HealthConnex Pharmacy Submission Delimited File to NC HealthConnex to the extent possible for all data pertaining to Medicaid, State Health Plan, and State-funded health services provided by Submitter, as required by Applicable Law. Technical specifications for the flat file are included in the Onboarding Document.

Onboarding Process Summary

This summary presents a high-level overview of the process to connect your organization to NC HealthConnex. **These steps are subject to change based on the availability of technical resources and functionality of your organization, your Pharmacy System vendor, and NC HIEA and SAS.**

1. NC HIEA will notify SAS of the receipt of your organization's fully executed Participation Agreement and of the contact information you provided in Attachment 2. Please note: Failure to provide contact information in Attachment 2 will slow the processing of your agreement and your connection to NC HealthConnex.
2. SAS will contact your technical services contact person to verify the technical information requested above and to provide you with technical onboarding packet (which you will have to complete) and to gather contact information for other technical partners your organization may have.
3. NC HIEA will contact your organization to discuss your organization's user training needs along with pharmacist, clinician, and patient education on NC HealthConnex.
4. The next steps depend on the type of data connection your organization will have to NC HealthConnex.
 - a. For a Transport Layer Security (TLS) connection:
 - i. Your organization must complete a TLS connection document.
 - ii. SAS and your technical resources will build a TLS connection to your EHR and will coordinate testing with your organization.
 - iii. Test Data will be sent to the Test/Stage environment. Any issues will be documented and resolved.
 - iv. Prior to sending data to the production environment, you will be required to provide User Acceptance Approval.
 - v. Data feeds will be promoted to the production environment when all Parties are mutually satisfied with the interface build. Your data will be validated by SAS in collaboration with your technical resource staff and any issues will be documented and resolved.
 - vi. NC HIEA will notify your organization that you have been successfully connected to NC HealthConnex and your Participant Account Administrator will be provided user credentials for the NC HealthConnex Clinical Portal. Training and education materials will be made available to your organization as well.
 - b. For a Batch Secure File Transport Protocol (SFTP) connection:
 - i. Your organization will be assigned to a SAS data connector, who will work directly with your organization to build connection to NC HealthConnex. This will require installing software on your Pharmacy System.
 - ii. SAS will implement a daily secure transfer of data.
 - iii. The data connector will test file transfers from your Pharmacy System to NC HealthConnex.
 - iv. Data will be sent to the Test/stage environment and your organization must validate data in the NC HealthConnex Clinical Portal. Any issues will be troubleshooted.
 - v. Prior to sending data to the production environment, you will be required to provide User Acceptance Approval.
 - vi. Data will be sent to the production environment and your organization must validate data in the NC HealthConnex Clinical Portal. Any issues will be troubleshooted.

5. Once your connection is established and you have access to NC HealthConnex, any technical issues you encounter should be directed to the SAS Help Desk at HIESupport@SAS.com. Please also consult the Technical Support information provided in Attachment 5.

Technical Support

For more information on capitalized terms used in this Attachment but not defined in the Participation Agreement, please direct any questions to the SAS Technical Support Team.

Contacting the NC HealthConnex Technical Support Team

SAS NC HealthConnex Submitter Account Administrator Assignment:

- The designated NC HealthConnex Submitter Account Administrator (PAA) is recognized as the point of contact to utilize the SAS NC HealthConnex Technical Support Team and Help Desk.
- If the PAA chooses to add additional PAA that will coordinate with SAS, the additional PAA should communicate their name and contact information to the SAS NC HealthConnex Technical Support Team at HIESupport@sas.com. Please also communicate any future changes to administration so that contact information will be kept up to date.

NC HealthConnex Technical Support Communication Options:

As a PAA, you have three options for communicating with our SAS NC HealthConnex Technical Support team:

1. SAS Email Support: HIESupport@sas.com
2. SAS Phone Support: Call Local: 919-677-8008 -or- Toll Free: 800-727-0025
3. SAS Technical Support Form: <http://support.sas.com/ctx/supportform/createForm>
In the "Product" field, select "NC HealthConnex"

All three options are tied closely with our customer issue tracking/ticketing systems, which ensures documentation of all issues and conversations, as well as providing timely responses and feedback. Details of how to use each option is listed below. If you have questions about the options reach out to us. We are happy to help you determine the best option for your organization.

Note: Please use only these three options. Avoid communication via individual email accounts and phone extensions. This ensures that the entire team knows about all issues submitted and that all team members have backup in case they are away from their desk or office. If you have been working with a specific Analyst on an issue, you will be forwarded to them so they may continue to assist you (or you may request that this occurs).

General Technical Support Hours of Operation:

- Monday through Friday 8:00 a.m. to 8:00 p.m. Eastern Time
- See details below for after-hours emergency and outage support

Information you should provide (regardless of the communication option you utilize)

- Contact name
- Contact email address
- Company name
- Company site number
- Problem description
- Steps to reproduce and demonstrate the issue

<p><i>Note: All Severity 1 and 2 issues occurring outside 8 am to 8 pm ET must be submitted via phone to guarantee response times listed.</i></p>

Technical Support Communication Options Details:

Email Support:

Please send all email requests or issue communication to HIESupport@sas.com.

- Your email will go directly to the SAS NC HealthConnex Technical Support Team, a new issue Track will be created, and a *10-digit Track number* will be assigned/emailed to you. This 10-digit Track number is important and should be used in all on-going issue communication.
- You can update an existing Track by sending the *existing 10-digit Track number in the subject line* to HIESupport@sas.com or by replying to the new Track confirmation email you receive. All members of the SAS NC HealthConnex support team are immediately notified when a Track is raised in this manner, as is the Analyst who is currently assisting you.
- Verify that any email SPAM software will not block our e-mail responses (from either HIESupport@sas.com or technicalsupport@sas.com)
- Please be detailed in your problem description by including the following information:
 - Steps to reproduce and demonstrate the issue
 - Results the user received (for example, if there was an error message what did it state, expected results were incorrect and how, etc.)?
 - Screen shots showing the error message as well as input prior to the error occurring
 - Time, date and user experiencing the issue
 - Client workstation details if appropriate (browser version, operating system, etc.)
 - Is it an isolated incident or on going?
- Please refrain from contacting the support team via direct email addresses. Our goal is to respond to you as quickly as possible and document all communication around a specific issue. If you email an Analyst directly, and that person is away or on vacation, you may experience delays in response times. Emailing the support address guarantees the email will be handled quickly and the details of your communication will be captured in the issue tracking system via the 10-digit Track number.
Note: All Severity 1 and 2 issues occurring outside 8 am to 8 pm ET must be submitted via phone to guarantee response times listed above.

Phone Support:

Please use the following phone numbers to call the SAS NC HealthConnex Technical Support Team:

Call Local: **919-677-8008** -or- Toll Free: **800-727-0025, press option "2"**

- You will then be prompted to enter "1" if you have a Track number (an existing issue) or enter "2" to speak with the operator (a new issue).
 - If this is an existing issue, please locate your SAS NC HealthConnex 10-digit Track number prior to making the call and provide it when prompted.
 - If this is a new issue, the Technical Support Analyst will provide a 10-digit issue Track number during the call (be sure to ask for one if you do not receive it!).
- If you entered "1" you will be routed to the Track owner during normal business hours (8 am -8 pm Eastern Time).
- If you entered "2" a SAS operator will answer the call. **Ask to speak with a NC HealthConnex Technical Support Representative** (8am-8pm Eastern Time). If after hours, and not an emergency, you can leave a message for technical support.
Note: All Severity 1 and 2 issues occurring outside 8 am to 8 pm ET must be submitted via phone to guarantee response times listed above.

SAS Technical Support Form:

Please submit your issue via the online form at <http://support.sas.com/ctx/supportform/createForm>

 - Report urgent or critical problems by phone (see steps above)
 - Verify that any email SPAM software will not block our e-mail responses (from either HIEsupport@sas.com or technicalsupport@sas.com)

 - Confirms that you have submitted the form successfully
 - Provides the 10-digit Track number that has been assigned to your e-mail request. You will use this number to identify your issue moving forward.

Emergency Issues After-Hours

If your organization experiences a **total NC HealthConnex system or operational failure**; this is considered a critical Severity 1 or 2 issue (see definitions above).

- Please have the system administrator and/or IT point of contact validate that the outage/issue is occurring for all users.
- If your contract states you have 24-hour support for Emergency Issues, please call the SAS phone support lines for assistance, **919-677-8008** -or- **800-727-0025**.
 - The SAS operator will forward you to a live, SAS Technical Support representative who will gather information to initiate a Track.
 - Please provide after-hours contact information for the main point of contact as well as the IT point of contact if applicable (for example, VPN usage Submitters) and ensure both are available to help triage issues at that time (both are required for emergency tickets to be addressed after hours if you connect to the NC HealthConnex via VPN).
 - The SAS Technical Support representative will then contact an on-call SAS NC HealthConnex/SSOD Support Representative to work with your team.
 - On these occasions, you should expect a call back from a SAS NC HealthConnex/SSOD Support representative within 2 hours of your initial contact.
 - During off-hours support, you may be asked to provide your SAS Site Number.
- Because SAS cannot guarantee less than 24-hour response on problems tracked electronically, you should report Severity 1 or 2 problems **by phone**. If you chose to send an email or enter a Technical Support Form, your issue will be addressed the following business-day morning.

More information about SAS technical support services and policies can be found at <http://support.sas.com/techsup/support.html>.
